AUTUMN TERM 2011 Year 4

Dear Parents,

Welcome to the new school year. We hope you will find the information about our planned work for this year helpful. On this sheet you will find a grid with some details of what is planned for each subject. However, we will be making links between subjects whenever possible as we work in "Context for Learning". We will also be working on basic skills in both numeracy and English. Our context is centred on the Egyptians and the development of their society and civilization.

The school day starts at 8.50 and we would be grateful if the children were encouraged to be prompt and enter the classroom independently.

P.E. lessons occur on Tuesdays and Fridays, although it is always advisable for the children to have their kits at all times during the week. This includes blue shorts, white T-shirt and trainers or plimsolls. Track suits may be worn during the cold weather.

Homework will be given out once a week on Friday, please see the inside of their homework books for information. Homework is due in on the following Wednesday. School library books will be changed on a Monday. Children are encouraged to change reading books and reading skills are practised frequently in school. However, it is still equally important for children to read at home and this is considered to be part of their homework

Year 4 teaching team comprises: Mr Winter, Miss Cunningham, Mrs. Paisey, Mrs. Groves, Mrs. Alfred, Miss Renard, Mrs. Clark and Mrs. Hawkes. We will be having a brief meeting for parents and carers of children in Year 4 on Thursday 22<sup>nd</sup> September at 2.45pm. The Year 4 children will also be present and it is an opportunity to meet the Year 4 team, to discuss the year and to answer any questions you may have.

If you do have any questions or queries please do not hesitate to contact us,

Many thanks,

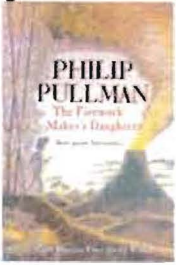

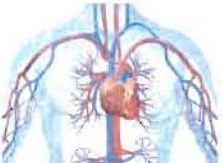

Andrew Winter, Grace Cunningham and the Year 4 team
