17 June 2011

Dear Parent,

As part of the National Strategy to develop an interest in scientific investigation and experimentation, we have arranged for Year Five to attend a morning of Science on Monday 4 July 2011, from 9.30-12.15pm at Oxted School.

Oxted will supply two minibuses which can transport the children. There are 32 seats available in total including adults.

In order for us to attend, we will need you to return the attached permission slip signed by **Monday 27 June at the latest**. We will also need 3 parents to help with the transport to and from the venue as our year groups totals 44 children and 4 adults. Therefore, please indicate on the slip if you can help. Thank you in advance for your support.

Children will arrive at school in uniform as normal and will register before we leave at 9.00am. They should have a mid-morning snack and water to take, which should be in their own bag (a small day bag would be best or a plastic carrier bag). Children will be responsible for their own bags and containers. Lunch will be as normal at school upon our return.

This should be a great opportunity to enjoy some practical Science activities and to visit Oxted School. There is no cost to parents for this visit.

Please return the slips to us by the date mentioned. Thank you.

Yours Sincerely,

Naeem Awan

Child's name \_\_\_\_\_

I give permission for my child to participate in the Oxted Science morning on Monday 4 July from 9.30-12.15. I understand that I should supply a mid-morning snack and appropriate bag and my child will take the responsibility of looking after it.

I am able/unable (*please delete as appropriate*) to help with transport **to and from** Oxted, leaving at 9.00am and returning by 12.45pm.
